A photograph of a potted plant with green, feathery foliage growing out of a white ceramic mug with blue polka dots. The mug sits on a windowsill next to a brass-colored teapot. The background shows a window with a view of a cityscape.

A small, green, leafy plant is growing out of a clear plastic cup. The cup is placed on a dark, textured wooden surface. The background is dark and out of focus, showing some indistinct shapes and colors. The lighting is dim, highlighting the green of the plant and the transparency of the cup.
