The screenshot shows a Scratch project titled "Scratch Project". The stage features five children: a girl in a purple shirt, a girl in a green shirt, a girl in a yellow hijab, a boy in a blue shirt, and a boy in an orange hoodie. They are standing in a lush green jungle with trees and bushes. The script on the left is triggered by a green flag click. It first sets the language to Arabic and the voice to alto. Then, it says three Arabic sentences: "لأعد التغور ألمة كبيرة منها الطلاق على الأشجار و تظل المساحات المخصصة لمكتبات الفنادق ر توفر فرص عمل جيدة", "الكلمات العربية كبيرة منها العناصر على الأشجار و تظل المساحات المخصصة لمكتبات الفنادق ر توفر فرص عمل جيدة", and "العنان و علب الألومنيوم و البلاستيك والكرتون". Finally, it waits 55 seconds. The Scratch interface includes toolbars for Code, Costumes, and Sounds, and a sidebar with categories like Motion, Looks, Sound, Events, Control, Sensing, Operators, Variables, and My Blocks.
