deweek.alecso.org

It is considered a golden chance for all Arab countries to join together in this unique event.

They all are seeking to the same aim that is:

(The perseveration of the Environment)

The Arab Code Week has managed to connect all the categories of society together as one unit from the east to the west and from north to south.

The abled and disabled people are the same in this great event. Both of them create and innovate for conserving the environment.

Arab Code Week

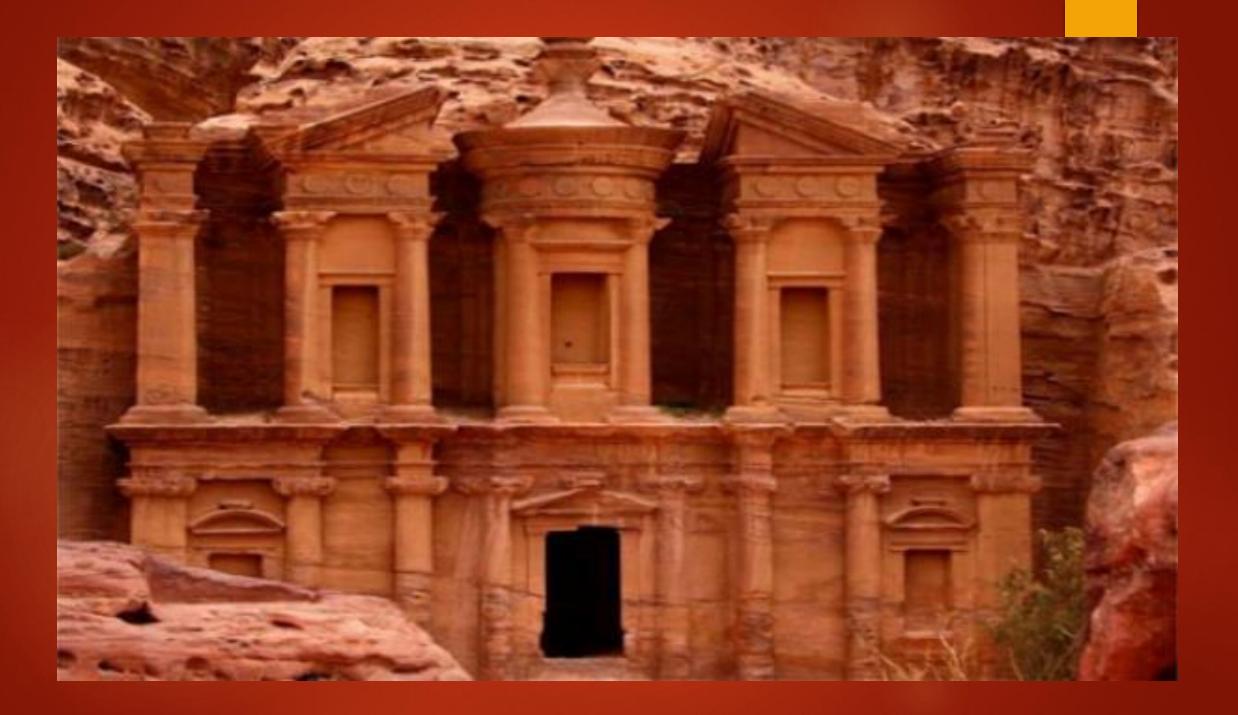

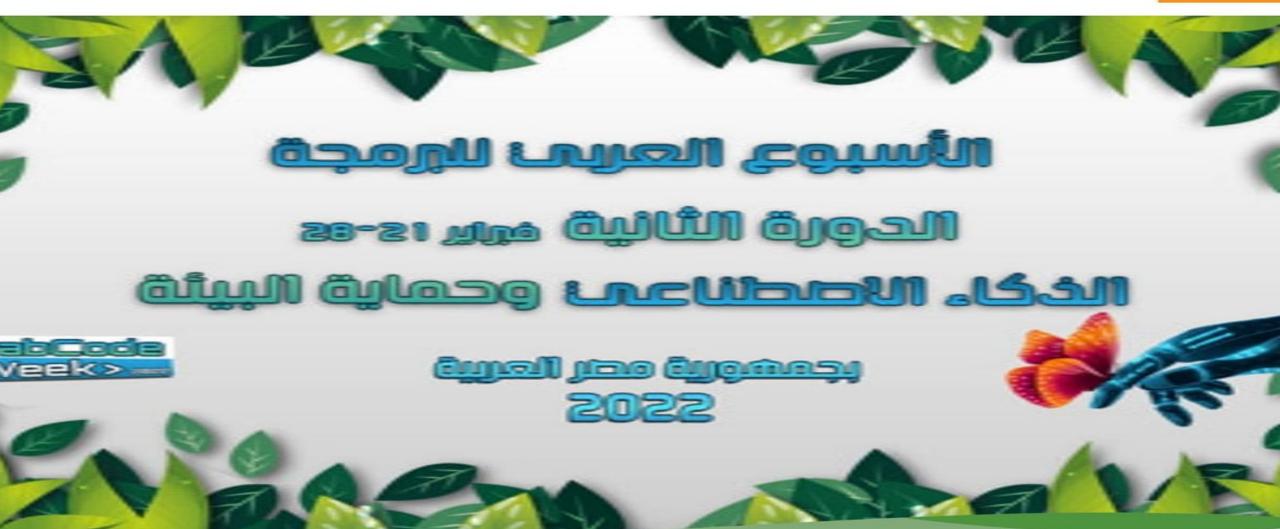

Our beautiful planet, The earth

لاحب الهمم يحتفلون بيوم البرمجة الدامجة

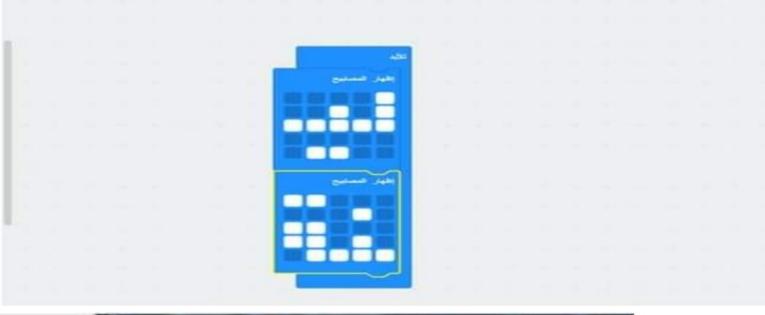

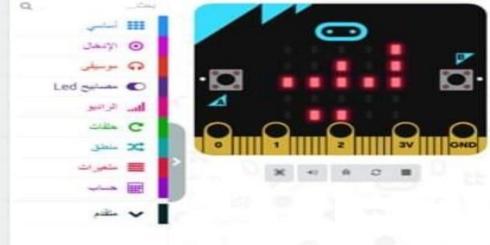

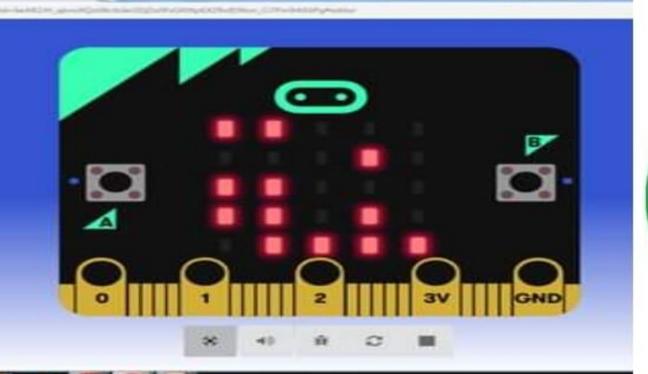

مم سعراء البيئة وم الالهام للبرمجة الدامجة

الفراشات تين المراشات تين المراشات تين
